LC SHUTTERS WHITE E27 LED 2700K 15W
5741092903
LOUIS POULSEN

LC Shutter Design : Louise Campbell Light concept : The fixture emits a primarily downward illumination. The perforated pattern on the shade provides a soft illumination around the fixture. Meanwhile, the perforation helps to lighten up the surface of the shade in a decorative way, when it is turned on, thereby maintaining the contour of the fixture, whether it is on or off. The light source is surrounded by an opal diffuser, which ensures that the fixture is 100% glare-free, and that the fixture is suitable for several types of light sources providing the same light distribution and comfort. And finally, the shape of the diffuser allows a beautiful view into the fixture. Finish: White, powder coated. White, powder coated with coloured foils. Material: Shade: Spun aluminium. Punched and embossed. Suspension: Powder coated die casted aluminium. Diffuser ball: Rotation moulded PE. Mounting: Suspension type: Cable 2x1mm². Canopy: Yes. Cable length: 3m. Weight: Max. 3 kg Class: Ingress protection IP20. Electric shock protection II w. ground.

Light output 1
