FLOS

Versatile outdoor luminaire for installation on wall or on post, suitable for lighting or decorative effects. Configuration: phospho-chromatised and polyester powder coated die-cast aluminium structure with A2 stainless steel screws, moulded silicone gaskets and tempered transparent glass or lens with silkscreen border. Glasses and lenses are fixed to the aluminium body through a robotic gluing system. Installation requires a fixing plate to be secured to the wall giving high solidity to the luminaire and improving water tightness. Electrical components are housed inside the luminaire.

Light output 1

1 x Metal halide lamp

Nominal lamp power	70 W	Socket	G12
Lamp flux	7000 lm	LOR	35%
Luminous efficacy	35 lm/W	ULOR	17%
CCT	3000 K	Total flux	2437 lm
CRI	84	Total power	70 W

Mounting mode

Pole top mounted

Shape and measurements

Length: 6.30 in
Width: 6.30 in
Height: 8.66 in

Adjustability

Fixed

Electric

System power: 70 W
Appliance Class: I
