MODULAR

Peaceful exterior spotlight Hipy 67 is the perfect outdoor ground spot, with its IP67 rating and LED light source. As the light beam does not generate any heat, you can safely walk over it barefoot like a true hippy. Hipy 67 is available in many different variants: round or square and with a warm or cold light temperature. Besides the traditional Hipy 67, we also offer an asymmetrical version which is perfect as a facade spotlight.
