SIRIUS 300 - CV WALL WASHER
8033-A-2-551-XX
UNILAMP

A brand new linear light family features various mounting application types including In-ground walk over, wall mounted, wall recessed, suspension and even permanently submersion stage. SIRIUS utilized the latest LED technology from world renowned manufactures with the choices of multiple light distributions. It offered narrow beam, medium beam, wide beam, asymmetric wall washer, wash glazing, bi-symmetric and much more. Thanks to a screw-less, clear and clean-cut design SIRIUS can be installed in most application where a decent architectural expression is required. Diversity types of connecting accessory is available for this linear light family.
