REKTOR 1XLED GI 2700K FLOOD WHITE STRUC-CHROME
12826163
MODULAR

Guiding the way around your space Rektor, the surface-mounted spotlight by Modular, will guide the way around your space. The unique feature of the Rektor is that all the technical workings are concealed within the fixture. The innovative tilting technology allows you to rotate the bulb holder through 360°, as well as adjusting it upwards or downwards through 90°. All without a single wire being visible. This makes it a perfect example of accent lighting. Its extensive adjustability and metal colour accent on the housing make it a genuine must-have. Rektor is also handy for highlighting a wall or specific object. Designed in cooperation with Couvreur-Devos.

Light output 1

1 x LED			
Nominal lamp power	16.25 W	LOR	84%
Lamp flux	1461 lm	Total flux	1234 lm
Luminous efficacy	65 lm/W	Total power	19 W
