SINGLE SQUARE LED 2700K SPOT TRE DIM GI BLACK STRUC
11402032
MODULAR

IP
20

All the right angles Single square is a real player that likes to go to town on its hinge points and square corners which are incorporated into the design. This means that this fixture is a versatile and highly directional spotlight, which is installed using the rail system. Single square is chiefly used in retail projects. Thanks to the integration of the new M-LED 111 and the relevant LED gear, Single square has become an extremely high performing and ideal retail spotlight.
