Product data sheet

REKTOR RECESSED LED 2700K MEDIUM GE BLACK STRUC 12821032

MODULAR

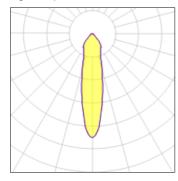

Guiding the way around your space Rektor is a surprising fixture, as it is highly directional despite the super-sleek housing. This makes it a perfect example of accent lighting. Its extensive adjustability and metal colour accent on the housing make it a genuine must-have. Rektor is also handy for highlighting a wall or specific object. Designed in cooperation with Couvreur-Devos.
