LOTIS SQUARE IP55 GU10 WHITE STRUC
12614009
MODULAR

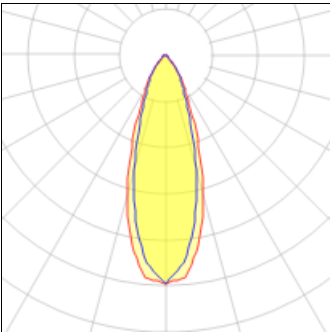

Square-shaped recessed spotlights are becoming increasingly popular. That is why Modular is expanding its range to include the Lotis Square: a compact, square-shaped version of the successful round Lotis series. The bulb sits deep down in a conical cup which means you have less insight into it. Besides the regular version, there is also an IP55 Lotis Square bathroom, which you can use in damp rooms or outdoor environments.
